

Streamlined Land Use Plan Studied

Provisions for a streamlined land use law were explained to the City Council Tuesday night and were to be submitted last night to the Planning Commission for recommendation.

Among the major changes proposed is a 6000 square foot lot size minimum as opposed to the present 5000 square foot

minimum.

Provisions regarding front yard fences and parking facilities in commercial and business zones will not be included in this ordinance but will be handled separately at a later date, at the request of Council.

Working on the revised land use ordinance were George Powell, secretary to the Planning Commission; John Russell, superintendent of building; and Mrs. Polly Di Mayle of the engineering department.

Cyclist, Car In Collision

Larry D. Strohmaier, 19, of Inglewood, riding a motorcycle, collided with a car driven by Mary R. Mayfield, 21, of 16807 Crenshaw boulevard, at Crenshaw and 168th street, early Tuesday morning, according to police.

PONTIAC BOOM . . . Richard and Robert Greenwald, twin brothers who organized Twin Pontiac in Hermosa, said Pontiac sales in the area increased 350%.

Twin Pontiac Claims Incredible Increase

Sales of Pontiac automobiles in the South Bay and Torrance area hit a new all-time high for the month of July.

"We have increased Pontiac sales in our area 350% over the average monthly sales of our predecessor, Hohman & Hadenfeldt, Inc.," Richard and Robert Greenwald, twin brothers who organized Twin Pontiac barely three months ago, stated this week.

"By putting owners in Pontiacs for less cost than the price of a Ford, Chevrolet, or Plymouth, we were able to set this unprecedented sales record," the twins explained.

"Our next goal is to actually outsell in volume the nearby Ford and Chevrolet dealers — and we'll do it," predicted the Pontiac Twins.

"We'll do it with lower prices, higher allowances — and the

best possible follow-up service." Twin Pontiac's block of complete service is located at 505 Pacific Coast Highway in Hermosa Beach.—(Adv.)

Talent Show At El Nido

First local talent show was held at the El Nido recreation area Wednesday, July 27.

Seven acts were presented by the youngsters as follows: Jackie Christie, doing an accordion number; Dale James Nicol, playing the trumpet; Christina Killian, reading poems, and Carl E. Nicol, playing the violin. Vocalists were Helen Hon, Susan Bergeron, and Linda Christie.

FAMILY HURT ON WAY HOME

Four members of a Torrance family were involved in an accident on their way back to Torrance from a vacation trip when their car hit a bridge guard in Carlsbad, New Mexico.

They are Mr. and Mrs. Russ Comon and their two children, Mary, 13, and Paul, 22, of 10111 Amapola.

Mrs. Comon received three broken ribs and her husband a

possible broken jaw, while the children apparently suffered minor injuries, according to relatives here.

The woman was taken to a hospital in Carlsbad while her husband was hospitalized in El Paso. The son is expected to return here this week.

The car was completely demolished, it was stated. The Comos were returning from Louisiana.

NEW CAMERA

A new camera developed by a University of California staff member, is able to photograph at speeds up to 3,500,000 frames per second.
